DESCRIPTION

The Best Night in the Andes, Under the Stars

If you're visiting Cusco and like the idea of escaping the hustle and bustle of the city for a couple of days and venturing to some of the most incredible scenery in the mountains, look no further than our 2-day Humantay Lake and Salkantay Pass hike.

Visit two of the most imposing sites in the Cusco region of Peru, Humantay Lake and Salkantay Mountain. You'll also get to spend the night in our exclusive Sky Camp under the Andean starry sky and learn all about the constellations that were very significant in the Inca period. Join like-minded travelers on this epic 2-day trip.

FULL ITINERARY

A dark, teal-toned photograph of a mountain landscape. In the foreground, a calm lake reflects the surrounding scenery. A waterfall cascades down a rocky ledge in the middle ground. The background features rugged, snow-dusted mountain peaks under a cloudy sky. The overall mood is serene and majestic.

DAY 01

Cusco | Challacancha – Soraypampa –
Humantay Lake – Sky Camp

Hike to the Turquoise Jewel in the Andean Mountains

We'll pick you up from your accommodation in Cusco and travel to Mollepata, where you'll enjoy a hearty breakfast. From there, we'll continue to Challacancha (3,800 m / 12,467 ft), the starting point of our trek. The morning will be spent hiking to our Sky Camp in Soraypampa (3,900 m / 12,795 ft), where you'll enjoy a delicious lunch and have time to settle in before our next adventure.

In the afternoon, we'll hike to the stunning Humantay Lake (4,200 m / 13,780 ft), a breathtaking turquoise gem framed by a snowy, white backdrop. At the top, you'll have time to soak in the views and capture unforgettable photos before returning to Soraypampa. The day will conclude with a delightful dinner, stargazing, and a much-deserved rest.
