DAY 01

Cusco | Cathedral · Qoricancha · Sacsayhuaman · Q'enqo · Puca Pucara · Tambomachay

ENGLISH — Touch Down in Cusco & Explore the Sites

Your adventure begins with a comfortable hotel pickup anywhere in Cusco's historic center. Your first destination is Qoricancha — the breathtaking Temple of the Sun, where Inca architects once lined every wall with solid gold. From there, the journey continues to the magnificent Cusco Cathedral, a masterpiece of colonial baroque sitting atop ancient Inca foundations in the main plaza.

Next, the tour ascends to the outskirts of the city to visit four extraordinary archaeological sites. At Sacsayhuaman, you'll stand before colossal zigzag walls of perfectly fitted stones. At Q'enqo, a sacred limestone outcropping reveals ceremonial channels and altars used for Inca rituals. Puca Pucara, the "Red Fortress," served as a military garrison with sweeping valley views. The journey concludes at Tambomachay, where crystal-clear spring waters still flow through ancient Inca canals — a site venerated as a sacred bathing complex for Inca royalty. You'll then be returned to your accommodation.

ESPAÑOL — Explora Cusco y sus Sitios Sagrados

Su aventura comienza con el recojo desde su hotel en el centro histórico de Cusco. El primer destino es Qoricancha, el impresionante Templo del Sol, seguido por la majestuosa Catedral del Cusco, una obra maestra del barroco colonial construida sobre antiguos cimientos incas.

Luego, el recorrido continúa hacia cuatro destacados sitios arqueológicos: Sacsayhuamán, con sus enormes murallas de piedra; Q'enqo, centro ceremonial inca; Puca Pucara, conocida como la "Fortaleza Roja"; y Tambomachay, famoso por sus fuentes de agua que aún fluyen a través de antiguos canales incas.

Al finalizar la experiencia, retornará a su alojamiento en Cusco.
