DAY 01

Cusco → Mollepata · Soraypampa · Sky Camp · Humantay Lake → Cusco

ENGLISH — A Day at the Incredibly Beautiful Humantay Lake

Start your day at 4:00 am with a pickup from your hotel and a comfortable drive to Mollepata, where we enjoy a hearty continental breakfast before continuing to Soraypampa — the starting point of the hike at 3,900m / 12,795ft.

From Soraypampa, the trail ascends gradually through spectacular Andean scenery with views of the towering Salkantay glacier (6,271m) in the distance. The path winds through pristine high-altitude grasslands and alongside a crystal-clear mountain stream.

After approximately 1.5 hours of steady hiking, Humantay Lake (4,200m) suddenly reveals itself — its impossibly turquoise waters reflecting the surrounding glaciers. You will have ample time to explore the shores, take photos, and absorb the powerful energy of this sacred Andean place.

In the afternoon, descend to Soraypampa and enjoy an exquisite gourmet lunch prepared by our chef at the exclusive Sky Camp. Return to Cusco and drop-off at your accommodation at approximately 6:30 pm.
